PROMOTION ARE FILLED.

(St. Petersburg, FL: 1/04/10) Florida Blood Services(FBS) has had an overwhelming response to our participation in Walt Disney World's "**Give a Day - Get a Disney Day**" promotion. **APPOINTMENTS FOR ALL FBS VOLUNTEER OPPORTUNITIES IN THIS PROMOTION ARE FILLED.** We are very grateful to those who did sign up to volunteer with FBS in January. FBS looks forward to seeing them fulfill their pledge.

Additional non FBS volunteer opportunities are available with other Tampa Bay area non profit organizations. Interested people are encouraged to visit www.disneyparks.com for other volunteer opportunities.

Even though our allotment of appointments to volunteer and enjoy a free Disney ticket are gone, there is still a need for additional blood, platelet and plasma donations to meet the needs of local patients. Generally, healthy people age 16 or older, who weigh at least 110 pounds, can be blood donors. Prospective donors can visit www.fbsblood.org for a list of donation locations in their neighborhood. For further eligibility information please call 1-800-68-BLOOD (25663).

Headquartered in St. Petersburg Florida, FBS provides over 350,000 blood donations to patients at 92 hospitals and other ambulatory healthcare facilities throughout 42 Florida, Georgia, and Alabama counties, through the participation of volunteer donors.

Additional Blood Supply Information is Available at www.fbsblood.org
